ABOUT CONVEXIFY

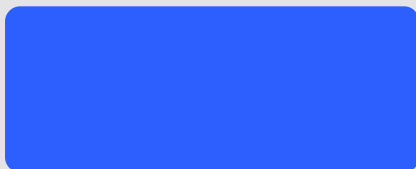

Convexify is an AI studio founded in 2025 and based in Andorra. It works from inside its clients' own products and teams, taking AI agents and recommendation engines from first prototype into production for brands across Europe. Convexify is an OpenAI Select Partner in the OpenAI Partner Network. More at convexify.tech.

Using the brand

Logo

Colour

Blue Neon

#2D5FFF

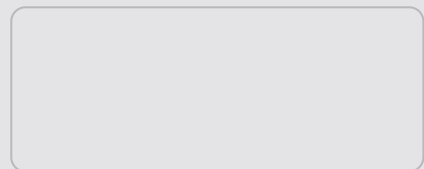

The only accent colour

Ink

#0B0B0E

Dark ground

Chrome

#E4E4E6

Light ground

Type

Geist (Vercel, SIL OFL, free). The wordmark is always lowercase; in running text the name is “Convexify”.

Rules

- On dark grounds use the white-curve version; on light grounds, the ink-curve version.
- Keep clear space around the mark at least the width of one curve stroke.
- Minimum size: mark 24 px; horizontal logo 120 px wide.
- Do not rotate, outline, add shadows, gradients or effects, or recolour it.
- SVG and PNG files are in the kit. For any other format, write to press@convexify.tech.
